

A mobile app prototype of a SignUp form. The screen displays a status bar at the top with signal strength, time (9:41 PM), and battery level (100%). Below the status bar is a navigation bar with a back arrow and the title "Signup". The form consists of four text input fields labeled "First Name", "Last Name", "Email Address", and "Password", stacked vertically. Below these fields is a dark gray button labeled "Signup". The entire form is enclosed in a rounded rectangle, and the screen is framed by a mobile device outline with a home button at the bottom.
